Dear Partner,

ECommerce Expo Greece & Southeast Europe, as part of the public demand for more education and information, gives priority to exhibitors (until October 10) and then to other companies to organize workshops during the event.

The proposal concerns the rental of a room with a seating capacity of 60-80 people for the presentation or training event for one hour. Παροχές:

- Room rent
- Audiovisual equipment (Projector + screen), Microphones, Speakers, Laptop
- Seats
- Communication to the audience of the event

Cost per hour for exhibitors 140 € (VAT not included in the price).

Cost per hour for non-exhibitors 280€ (VAT not included in the price).

Due to increased demand from exhibitors but also from companies that are not yet committed to attending the event, please call us directly to further discuss this proposal.

Yours sincerely,

Vasilis Yiannikos
